Black

multiple colour
option available

A modern meeting room with a long, light-colored wooden conference table. Several white office chairs are arranged around the table. The room features a wood-paneled wall on the left, a textured grey wall on the right with a large black screen mounted on it, and a dark ceiling with a long, illuminated linear light fixture. The floor is dark.

Best for workspaces, showrooms, cafés
and open-ceiling interiors.

INTRODUCING
